10 Reasons

Why you should buy a 6x12 Allis-Chalmers General Purpose One Man All-year-round tractor.

6x12 Allis-Chalmers will do any of the following in a day:

Plow 5 to 8 acres.

Disk 25 acres with a 7-foot disk.

Harrow 50 acres with 15-ft. harrow.

Plant 25 acres with a 2-row Planter.

Cultivate 25 acres with a 2-row Cultivator.

Drill 30 acres with a 10-foot Grain Drill.

Harvest 15 ac. with a Corn Binder.

Harvest 30 acres with an 8-foot Grain Binder.

Harvest 35 acres with an 8-foot Mower.

Rake 50 acres with a 12-foot Rake.

the 6-12 General Purpose Tractor

is all of your requirements if you are a small farmer, or if you have big land the 6-12 is an auxiliary to your plowing tractor. It embodies practical features of design, construction and a greater sturdiness than any other tractor of similar size.

For the convenience of the hitch, adapted to standard implement, proved it to be a one man tractor that would do the work on any farm, and real economy in operation reduces the cost of operation and changes losses into gains.

Initial cost is typical of its operating cost, which are so low that the ownership of this tractor is brought within the reach of every farmer.

Price F. O. B. Factory \$790.00.

Bride-to-be Showered.

One of the prettiest affairs of the season was given Tuesday afternoon when Miss Irene Hudspeth entertained with a shower in honor of Miss Lela Windrow, a bride of the month.

The guests were seated on the spacious veranda which was made homelike with vines, rugs, gay pillows and Jap. lanterns. When the honor guest arrived she was met by the hostess, who escorted her to the seat of honor.

As the strains of the wedding march were heard, little Kellam Crain, as cupid, drew a well laden wagon down the porch to the bride, where the many beautiful gifts were viewed.

Refreshments were served with Mrs. Crain presiding at the punch bowl. The hostess gave an appropriate toast to the bride after which music was enjoyed.

Those present were: the honor guest, Miss Lela Windrow, Mesdames A. S. Allen, Marvin Beal, Roland Gaines, O. E. Lacy, P. L. Crain, Newell Woods, Misses Hettie Fusselman, Lucile Woods, Ruth Windrow, Nettie May Newton, Ruth Chancey, Della Peters, Fanny Carle, Bessie Roberts, Grace Armstrong, Selma Stiegler, Bessie Brucks, Ethel Hutzler, Hilda Muennink, Lorene Heath, Maggie Cameron, Florence Lacy, Josephine Brucks, Evelyn Wilson and the hostess.

Ralph S. Windrow Wins Scholarship.

Austin, Texas, Oct.—Ralph S. Windrow of Hondo, Texas is the first student to hold the new Culbertson scholarship in the University of Texas, according to announcement made today by Dean T. U. Taylor of the College of Engineering, who was chairman of the committee on award.

This scholarship, offered for the first time for 1920-21, is given by J. G. Culbertson of Wichita Falls. The income amounts to \$300 a year, and award is limited to a student of engineering, preferably a senior, who is specializing in the field of highway engineering.

Mr. Windrow, who has received the first award of the scholarship is a senior in the University, and has been noted for his proficiency in subjects related to engineering. In addition, he is well known as a foot-ball player. Before entering the University he was at different times student at Baylor University and at A. & M. College.

Boehle-Graff.

The wedding of Mr. Henry J. Boehle and Miss Lena Graff took place last Wednesday in the Quibi Lutheran Church, Rev. A. C. Koeppe officiating. The attendants were: Mr. Walter Graff and Miss Pauline Graff, Mr. Ben Graff and Miss Edna Graff, Mr. Louis Grell and Miss Bertha Boehle.

The bride wore a wreath and veil and a pretty costume of white messaline and Georgette. The groom wore a suit of blue serge.

After the ceremony the bridal party left for the home of the bride's mother, Mrs. Emil Graff, where a reception was held.

Mr. and Mrs. Boehle will make their future home in Quibi where Mr. Boehle has a position as clerk in the O. A. Grell & Co. Store.

The young couple have many friends who wish them a long and happy married life.

Oil News.

Medina Oil Development Company's Well No. 1 is down 505 feet and the seventh strata of oil has been struck. The last one was in a soft sandstone at 461 feet. This strata was three feet thick and made one gallon per hour, which is equal to more than one-half barrel daily. The formation is changing and we are just entering the Taylor Marl. Here is where we expect to get the largest production. This is the formation which produced all of the oil found at Somerset, Mission and Corsicana fields, so let us forget all our troubles of the past—put up our hammers in good knocking order and look forward to the future, which promises to give Medina County the greatest wave of prosperity she ever dreamed of. We promised to bring in this oil field—it is here and we have it well located. Are you a stockholder of this company? If not, now is the time to become one in order to enjoy the success of this well.

Golden Throated
Claxtonola
TRADE MARK

Five different styles at moderate prices. You can enjoy the entertaining of a Claxtonola while paying for it.

Reasons for Claxtonola Supremacy

Its Universality—The "Golden-Throated" Claxtonola is a combination of all phonographs in one. It plays all disc records. All the world's artists play and sing their best for the audience of the Claxtonola.

Its Duplex Tone Arm—Instantly adjustable for all makes of records. No attachments necessary.

Its Tone Amplifier—No part of the Claxtonola receives greater care in its manufacture than the horn or amplifier. The amplifier is made of selected spruce and shows the latest improvement, the "Golden Throat". This is one reason for the amazingly clear, sweet, full deep tone of the Claxtonola unexcelled by any other phonograph.

Its Reproducer—It is evident that no phonograph can be better than its reproducer. The Claxtonola reproducer will reproduce the most delicate strains of any musical instrument or the human voice in their full volume and absolutely flawlessly.

Its Motor—The motor is extra strong, noiseless, non-vibrant, non-varying; all parts accessible for inspection, exposed parts nickel plated.

Its Accurate Automatic Stop.

Its Cabinet—The cabinets of all models show graceful lines and charming curves. The workmanship is of the best, the wood of the finest grain, making cabinets of exclusive design and surprising beauty.

Its Record Files—They are simple, neat and roomy.

Its Durability—You buy for a lifetime when you buy a "Golden-Throated" Claxtonola.

Doctor Cupid

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as liquid form.

EVANT, TEXAS.—"I have used Doctor Pierce's Favorite Prescription. I was run-down and suffered from functional disturbances but 'Favorite Prescription' regulated me. I was so nervous I was miserable and could not sleep at night when I began to use the 'Prescription.' I had not taken a whole bottle until I could sleep well and got as stout as I ever was. I keep a bottle of 'Prescription' on hand and when I work and get tired I take a dose and it strengthens my nerves."—MRS. GEORGIA DEMERIS BERRY

Mrs. Louie Rihn and son, Alfred, and daughter, Tessie, of Biry were here Sunday.

Mrs. Henry Steinle visited her son-in-law, Aug. Bilhartz in Santa Rosa hospital Monday. Mr. Bilhartz has been in the hospital 10 weeks with very little improvement in his health.

Born, to Mr. and Mrs. John Schorp a son, Thursday 30, 1920.

Why Suffer?

Cardui "Did Wonders for Me," Declares This Lady.

"I suffered for a long time with womanly weakness," says Mrs. J. R. Simpson, of 57 Spruce St., Asheville, N. C. "I finally got to the place where it was an effort for me to go. I would have bearing-down pains in my side and back—especially severe across my back, and down in my side there was a great deal of soreness. I was nervous and easily upset.

TAKE

CARDUI

The Woman's Tonic

"I heard of Cardui and decided to use it," continues Mrs. Simpson. "I saw shortly it was benefiting me, so I kept it up and it did wonders for me. And since then I have been glad to praise Cardui. It is the best woman's tonic made." Weak women need a tonic. Thousands and thousands, like Mrs. Simpson, have found Cardui of benefit to them. Try Cardui for your trouble.

In All Fairness.

A large crop is no evidence that the farmer will be able to pay his debts. Two conditions must be taken into consideration. The price he receives for his produce and the cost of production and harvesting. No man is more anxious for the laboring man to receive good wages than the farmer, for he himself is a laborer. The wages for harvesting a crop should either be fixed by a Board, or by law, with a heavy penalty for the enforcement of the same.

In all justice and fairness should the farmers be compelled to give away his cotton to have it harvested? It has taken him eight months to make the crop. He and his family have made economy bluish to keep from going too heavily in debt.

With the present market price and the cost of harvesting, the harvester makes more money in two months than the producer will in twelve months. Is this fair? Is this right? If the price should be fixed by a Board, let it consist of the Governor, Attorney General and Commissioner of Agriculture. Let the price for harvesting be, say for

30 cent cotton pay \$1.50 per hundred.
25 cent cotton pay \$1.25 per hundred.
20 cent cotton pay \$1.00 per hundred.

15 cent cotton pay .75 per hundred.
10 cent cotton pay .50 per hundred.
6 cent cotton pay .35 per hundred.
This will give a uniform price over the entire state, and at the same time, the hired help will know in advance what they will receive.

If connection of some kind is not made a calamity will be ours: Our sons will go to the city and the farms will be idle.

After Thorough Trial a Detroit, Mich., Man Endorses Pe-ru-na

The following letter written from Detroit, Michigan is no snap judgment expressed on the merits of Pe-ru-na, the well-known catarrh remedy, but rather a mature, sober opinion formed after a full year's trial. "This is the way Mr. Michael Fako of 908 East Palmer Avenue, in the Michigan Metropolitan, writes: "After using PE-RU-NA for about one year will say I have found it a very good medicine for catarrh. It has helped me a great deal and I am very well satisfied. I have gained in weight, eat and sleep well, my bowels are regular and better color in my face."

"PE-RU-NA has done wonders and to me is worth its weight in gold. I shall continue to use PE-RU-NA as long as I live and recommend it to my friends who are troubled with catarrh. Nothing can be more convincing than an endorsement of this cure from an actual user. There are many people in every community whose experience, in using Pe-ru-na, has been identical with Mr. Fako's. It is a standby for colds, catarrh, stomach and bowel disorders and all tartral conditions. Put up in both tablet and liquid form. SOLD EVERYWHERE."

INDIGESTION

If you are ever troubled with indigestion, Chamberlain's Tablets will do you good. They strengthen the stomach and enable it to perform its functions naturally. There are hundreds of people who have been restored to health and happiness by the use of Chamberlain's Tablets. When you feel dull and languid after eating you may know that your digestion is faulty, unless you have eaten more than you

should. Belching, sour stomach, bloating are symptoms of indigestion and are relieved by taking Chamberlain's Tablets as directed. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the stipated condition. Chamberlain's Tablets are also most excellent for indigestion. Sold everywhere.

RED CROSS ACTIVE IN DISASTER RELIEF

When disaster hits a community—fire, flood, earthquake, explosion, bad wreck or tornado—the American Red Cross can be depended upon to follow right at its heels with help for the stricken people. Red Cross relief is almost immediately forthcoming—food, clothing, shelter and funds; doctors, nurses and special workers with long experience in handling similar trouble elsewhere.

During the last year, ending June 30, there was an average of four disasters a month in the United States. One hundred and fifty communities in twenty-seven states suffered. The largest and most destructive of these were the tidal wave at Corpus Christi, Texas, and tornadoes in Mississippi, Louisiana, Alabama, Georgia, Ohio, Indiana and Illinois.

In these events of horror 850 persons were killed, 1,500 were injured, 13,000 were made homeless, about 30,000 families needed help, the property loss was nearly \$100,000,000 and almost \$1,000,000 in relief funds, not including emergency supplies was expended.

To the sufferers from all disasters during the year, the American Red Cross sent \$120,000 worth of supplies, 110 Red Cross nurses and seven special relief trains. To meet the needs of the stricken, the organization set up ten relief stations, operated thirty food canteens and as many emergency hospitals. One hundred and twenty-five Red Cross chapters gave disaster relief service.

If disaster ever strikes this town or county, the citizens can be absolutely sure the Red Cross will be right on hand to help them in every way.

More ambitious and you get more out of everything when your body is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC gives Energy and Vitality by Purifying the Blood. When you feel languishing, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is a patent medicine, it is simply a TONIC and QUININE suspended in Syrup. Pleasant even children like it. The Tonic Quinine to Purify and IRON the blood. This reliable tonic propels the blood to drive out impurities in the blood.

Length-Creating Power of **GROVE'S TASTELESS CHILL TONIC** has made it a favorite tonic in thousands of homes. For thirty-five years ago, folks have a long distance to get **GROVE'S TASTELESS CHILL TONIC** when a member of their family had Malaria or a body-building, strength-giving tonic. The formula is just the same today and you can get it from any drug store for 60c per bottle.

The Better Way

Never disobey Nature's warning. It's far better to forestall sickness with nourishment than to protect.

Scott's Emulsion

For meals for child or adult, is wonderful help in forestalling sickness. Ask for Scott's.

Scates, Edna L. Scates, Lee Scates and Neva Scates, are Defendants, and the cause of action being alleged as follows, to-wit:

That on the 1st day of January A. D. 1920, plaintiff was lawfully seized and possessed of the following described Land and premises, situated in Medina County, Texas, holding and claiming the same in fee simple, to-wit:—232 acres of land, out of Survey No. 1523, originally granted to Francois Tauche; the same being that part of said survey lying South of an agreed division line between J. R. Scates and Geo. I. Wilson, and for further description of said 232 acres of land reference is here made to a deed from Geo. I. Wilson to J. R. Scates, dated March 24th 1887, recorded in the Deed Records of Medina County, Texas, in Book A, No. 20, on page 340; 320 acres of land, known as survey No. 1524, originally granted to the heirs of Aubin F. Raquet, deceased; 1476 acres of land, known as survey No. 761, originally granted to Wenceslao Pacheco; 1476 acres of land, known as survey No. 760, originally granted to Guadalupe de los Santos; 600 acres of land, out of survey No. 583, in the name of Nancy B. Burleson; said 600 acres lying south of an agreed division line between J. R. Scates and Geo. I. Wilson, and for further description of said 600 acres of land reference is here made to deed of Geo. I. Wilson to J. R. Scates, dated March 24th 1887, recorded in the Deed Records of Medina County, Texas, in Book A, No. 20, on page 340; 101 9-10 acres of land, known as Survey No. 583, originally granted to Joseph Barnhart; 1116 acres of land, out of Survey No. 589, in the name of Julian Cervantes; said 1116 acres being and lying South of an agreed division line between J. R. Scates and Geo. I. Wilson, and for further description of said land, reference is here made to a deed from Geo. I. Wilson, to J. R. Scates, dated March 24th 1887, recorded in the Deed Records of Medina County, Texas, in Book A, No. 20, on page 340; 384.1 acres of land, known as Survey No. 591, in the name of Joseph Barnhart.

That on the day and year aforesaid January 1st 1920, defendants unlawfully entered upon said premises and ejected plaintiff therefrom, and unlawfully withheld from him the possession thereof.

Plaintiff further represents and alleges that all the above described lands were conveyed by J. W. Moore, and Ed. C. Minor, by Warranty deeds, as follows:—from J. W. Moore, by a Warranty deed, dated June 20th 1890; that said deed was duly filed for record in the Deed Records of Medina County, Texas, the County wherein said lands were situated, on the 16th day of July, A. D. 1890, and that said deed was duly recorded in said Deed Records in Book A, No. 22, on page 503, to which deed and its record reference is here made for further description of said lands; and by deed from Ed. C. Minor, dated October 17th, 1898, duly filed for record, and recorded in the Deed Records of Medina County, Texas, on November 7th, 1898, in Book A, No. 30, on page 261, to which reference is made for further description; That plaintiff immediately thereafter entered upon said lands and took exclusive possession thereof, and since said time has had peaceable and adverse possession thereof, cultivating, using, or enjoying the same and paying all taxes thereon, claiming under and by virtue of the aforesaid deeds, for a period of more than five years prior to the institution of this suit and prior to the 1st day of January, A. D. 1920, and that if defendants, or any of them had any cause of action against plaintiff by reason thereof such cause of action is barred by the Statute of limitation of five years. Plaintiff further represents and alleges that he has had actual peaceable and adverse possession of the aforesaid lands, cultivating, using or enjoying the same for a period of more than ten years prior to the institution of this suit and prior to the 1st day of January, A. D. 1920, and that if said defendants or any of them

had any cause of action against plaintiff by reason thereof, such cause of action is barred by the Statute of limitation for ten years.

Plaintiff brings this suit for the purpose of determining the estate, interest or claim, if any, that said defendants, or any of them, have in and to the aforesaid lands; and that the title to said lands be decreed to be in plaintiff, free and clear of any and all rights, claims, title and interest which defendants, or any of them, may have in and to said lands and premises; Wherefore plaintiff prays that defendants be cited by publication as required by law in such cases, and that upon a final hearing plaintiff do have and recover of and from defendants the land and premises aforesaid, and that the title to said land and premises be decreed to be in plaintiff free and clear of any right, title, claim or interest of defendants, or any of them, and that plaintiff have such other and further orders and decrees as may be just and proper.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same. Issued same day.

Given under my hand and seal of said Court, at office in Hondo, this, the 13th day of September A. D. 1920.

[L. S.] AUGUST KEMPF, Clerk District Court Medina County, Texas.

NATIONWIDE FIGHT AGAINST DISEASE

American Red Cross Will Have Health Centers in All Parts of United States.

The American Red Cross has launched upon a nation wide campaign of fighting disease and physical defect among the American people. A new and unique health institution has come into being as the result of several months' study by the Red Cross Health Service Department at National Headquarters.

Officials in charge of the department predict that before long this new health activity will be in actual operation all over the country, and that the sign—"American Red Cross Health Center"—will become as familiar to the people everywhere as are now the signs of the telephone companies.

Busy Long Before War.

The interest of the American Red Cross in the fight against disease is not, however, of recent origin. Long before the war the organization began this health service through its medical units in disaster relief work and its department of Town and County Nursing. During the war and following the armistice thousands of American Red Cross officials have been fighting disease in the war-stricken countries. At the same time tens of thousands of local Red Cross officials have been engaged at home fighting disease, notably during the influenza epidemics.

The American Red Cross has determined that all this valuable experience in health service abroad and at home shall not go to waste. So long as there are a half a million people dying yearly in this country from preventable causes, and so long as more than one-third of the American children and young people are victims of physical defects, the Red Cross recognizes the urgent need for continued Red Cross health service at home.

How Organization Works.

The Red Cross Health Center is governed by business principles, applies business methods, and, in its more simple form, can be established and conducted by lay people.

It proceeds upon the demonstrated fact that health is a commodity that can be bought and sold like brooms and soap. Therefore, it establishes itself in a storeroom in the principal business section of the community. It displays its goods in the form of attractive health exhibits in its show windows. It advertises constantly and extensively. And it uses every business and social device to attract customers.

The Red Cross Health Center is of service to the sick in that it gives out reliable and complete information about existing clinics, hospitals, sanatoria and other institutions for the sick and the defective; about available nurses, both trained and practical; about when to consult a physician and why to shun the quack and his nostrums.

Teaching Disease Prevention.

The Red Cross Health Center is, however, of even greater service to the well. It teaches people how to prevent sickness and disease. This is done in many interesting and attractive ways—first of all, by the distribution of popular health literature and through health lectures illustrated with lantern slides or with health motion picture films. Then special exhibits are given, one after the other, on various health subjects. Practical demonstrations are made; also health playlets by children to interest and instruct themselves and their elders. Classes are organized in personal hygiene, home care of the sick, first aid and in food selection and preparation. Health clubs, both for younger and older people, are formed; also Little Mothers' League, Nutrition and growth clinics are conducted for children.

Already more than a hundred of these Red Cross Health Centers are in actual operation throughout the country. Many of them also conduct medical clinics, but the one chief, outstanding feature of the American Red Cross Health Center is its health education service which teaches well people how to keep well.

Pay Your Poll Tax.

The free conference report of the suffrage bill, requiring both men and women to have poll tax receipts to vote at the next general election with the payment of \$1.75 for such tax, passed both houses of the Legislature at Austin last Saturday. The vote was large enough to carry the emergency clause and put the bill into immediate effect. Under the bill the time for paying the tax will be from October 6th to 22nd.

ALL DRUGGISTS SELL IT

185 audiences tried it this way

MOST people know that the musical enjoyment which they get out of a phonograph depends upon one thing. That thing is the phonograph's realism.

This picture shows the best way to test a phonograph's realism. Miss Betsy Lane Shepherd, the famous soprano, is standing beside the New Edison, and singing in direct comparison with the New Edison's RE-CREATION of her voice.

185 audiences, aggregating more than 100,000 people, have actually heard this comparison. None could distinguish between her living voice and its RE-CREATION.

This is one of the phenomenal records of realism. The New Edison holds all other records of realism, too, because no other phonograph attempts this comparison-test—or could sustain it.

The NEW EDISON

"The Phonograph with a Soul"

You try it this way

—the way we use in our store!—the Realism Test! Test the New Edison's Realism against the pleasure you know music can bring.

Tell us what kind of voice or instrument gives you truest musical enjoyment. Listen while we play your favorite on the New Edison. The Realism Test will enable you to gauge whether the New Edison's RE-CREATION gives you all of this enjoyment.

This is your test! It will help you determine what the New Edison's Realism means, in terms of your own musical enjoyment.

Ask for it! The "Personal Favorites" Realism Test.

Another thing to ask about is our Budget Plan. It disposes of the money question, in a way that will appeal to your common-sense and to your pocketbook.

Mrs. Theresa Bendele awoke about five o'clock Saturday morning to find the wood-box in the kitchen in roaring flames. The fire was promptly extinguished before spreading to the building and a serious fire was thus narrowly averted. How the fire originated is unknown, but from the smoke-blackened walls and ceiling it is presumed that it had smoldered for some hours before being discovered.

A. Dickie and son, G. D., of Brackenridge, Stephens county, stopped here with their car last Sunday looking over the country with a view of buying a ranch in this section, as life in their home county is getting somewhat uncomfortable on account of the many oil gushers shooting out there at a depth of 3000 feet. The town of Brackenridge had 2500 inhabitants and has 25000 now. The county jail there can't hold all the undesirable newcomers and the authorities of Stephens county had to make arrangements with a neighboring county to also use their jail.

SHE ONLY WEIGHED NINETY POUNDS.

Takes Tanlac and Now Weighs Exactly One Hundred And Fifteen Pounds.

"When I first began taking Tanlac I only weighed ninety pounds, but I now weigh one hundred and fifteen," said Mrs. E. J. Straw, of 710 Crocker Street, Des Moines, Iowa.
"I really thought I was not going to ever get well," she continued, "so my wonderful recovery has made me one of the happiest women in Iowa and I believe Tanlac saved my life."
"A year ago I had influenza which left my kidneys all out of order and my stomach in such bad condition I could not eat without suffering terribly afterwards. I also had neuritis so bad in my right shoulder that I had not been able to comb my hair for six months. I tried everything to get built up again but got worse all the time and to add to my troubles my nerves gave way; I could not do any of my housework and had to spend most of the time in bed."
"When I began taking Tanlac I had been in bed three weeks, but before I finished the first bottle I was up and about. Now I have taken seven bottles and every one has been worth its weight in gold to me. The stomach trouble, neuritis and nervousness are entirely gone and I am so strong I do all the housework without the least trouble. In fact, I am enjoying the best of health and I can't praise Tanlac enough."
Tanlac is sold in Hondo by W. H. Windrow; in Castroville by Joseph Courand & Co.; and in Dunlay by Louis A. Baby.

FRENCH PRAISE FOR OUR RED CROSS WORK

Lauding the work accomplished by American philanthropy for war-stricken France, Andre Tardieu, former high commissioner from that nation to the United States, in a recent article widely commented on throughout the French press, says:

"The American Red Cross has accomplished a work which calls for the heartfelt gratitude of every true Frenchman. In 1918 this great relief organization spent in behalf of France nearly \$7,000,000 francs, and in 1919 its expenditures on charitable projects in our country attained the tremendous total of 171,000,000. It has recently turned over to the French relief organizations huge stocks of supplies whose value must be counted in the hundreds of thousands of francs.

"Fifteen million American boys and girls, banded together in the Junior Red Cross of America, are back of a movement to establish the closest ties between themselves and France's younger generation through the charitable works they have financed and are now carrying out among our little war sufferers.

"The bonds of friendship between France and America is cemented with mutual admiration, respect and gratitude."

Citation by Publication.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Medina County—Greeting:

You are hereby Commanded, That you summon Elizabeth Balzen, whose residence is unknown, by making Publication of this Citation in some newspaper published in the County of Medina, for four (4) consecutive weeks previous to the return day hereof, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Medina, at the court house thereof, in Hondo, on the 6th Monday after the 1st Monday in September, the same being the 18th day of October, A. D. 1920, then and there to answer a Petition filed in said Court, on the 27th day of August, A. D. 1920, in a suit numbered on the docket of said Court No. 1901, wherein John Balzen is plaintiff, and Elizabeth Balzen is defendant. The nature of the plaintiff's demand being as follows, to-wit:

Suit for divorce and for judgment dissolving the Bonds of matrimony existing between plaintiff and defendant.

Plaintiff represents that he is, and has been, for a period of twelve months prior to and next preceding the filing of this suit, a bona fide inhabitant of the State of Texas, and a bona fide resident of Medina County, during all of said time. That on or about June 26, 1920, in Medina County, Texas, plaintiff was lawfully married to the defendant; That after their marriage, they continued to live together as husband and wife for a period of about two weeks and until the 14th day of July, 1920, when the defendant abandoned the plaintiff and returned to her former home in the State of Illinois, with the avowed and expressed intention of never returning to plaintiff or plaintiff's home, and since which time plaintiff and defendant have never lived together as husband and wife; Plaintiff alleges that during the time that he and defendant lived together as aforesaid, he was kind and affectionate towards her, providing her with all of the comforts of life, a good home, and that he tried in every way to make her happy and contented; but that the defendant was never satisfied, and that her actions and conduct were such as to lead plaintiff to believe, and he did believe, that his life was in danger, and that defendant would inflict upon him great bodily harm; That on the 10th day of July 1920, at plaintiff's home, the defendant, during the night time, took out her pistol and began firing same into the darkness; that after the firing of said gun the defendant proceeded to hide herself about the place, thereby creating a great disturbance and fear in plaintiff's household.

Plaintiff further alleges that upon leaving plaintiff, the defendant, within a few days thereafter met a man by the name of Guy Dohn, with whom she is now living as husband and wife; that defendant openly admits that she is now married to said Guy Dohn, and that they are living together as husband and wife, in Sterling, Ill. Plaintiff alleges that the marriage relations between himself and the defendant still exist; but that defendant's conduct and actions are of such a nature that their further living together as husband and wife is insupportable, the premises considered; Wherefore plaintiff prays the Court that defendant be cited to appear and answer herein, and for judgment dissolving said marriage relations between plaintiff and defendant, and for costs of suit and such other remedies, general and special, in both law and equity, to which he may be entitled.

Herein Fail Not. And have you before said Court, on the said first day of the first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Hondo this, the 15th day of September A. D. 1920. Issued same day.

[L. S.] AUGUST KEMPF,
Clerk District Court Medina County, Texas.

Every Street in Hondo

Has Its Share of the Proof That Kidney Sufferers Seek.

Backache? Kidneys weak? Distressed with urinary ills? Want a reliable kidney remedy? Don't have to look far. Use what Hondo people recommend. Every street in Hondo has its cases.

Here's one Hondo man's experience.

Let Joe Huesser tell it. He says: "I can highly recommend Doan's Kidney Pills for I know they are excellent. I suffered with my back and my kidneys bothered me a great deal. I had sharp knife-like pains in my kidneys every time I would move. I had to get up nights on account of the irregular action of my kidneys. The secretions burned in passage and were highly colored. A friend told me of Doan's Kidney Pills, so I used a box which cured the attack. I always use Doan's now when my back bothers me and they never fail to help me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Huesser had. Foster-Milburn Co. M'gr., Buffalo, N. Y.

AMERICANS ABROAD IN RED CROSS WORK

United States Citizens Far Away Enthusiastic Members of the "Fourteenth" Division.

Among the most enthusiastic and energetic members of the American Red Cross are those citizens of the United States who live outside the continental boundaries of their country—sons and daughters of the Stars and Stripes residing at the far corners of the earth.

These people compose the Insular and Foreign Division of the parent organization, generally known as the "Fourteenth" Division, which has jurisdiction of all territory outside the country proper; that is, Alaska, Porto Rico, Hawaii, Virgin Islands, the Philippines, Guam, and even the island of Yap, which came under our flag as a result of the world war. For the year 1920 this division reported 80,808 paid up members.

The main object of this division is to give our citizens everywhere the opportunity to participate in the work of the organization which stands for the best national ideals. Americans in far places intensely loyal and patriotic, treasure their membership in the Red Cross as the outward expression of their citizenship. It is another tie to the homeland and to each other. There are chapters of this division in Argentina, Bolivia, Brazil, Canal zone, Chile, China, Costa Rica, Cuba, Dominican Republic, Ecuador, England, France, Guam, Guatemala, Haiti, Hawaii, Honduras, Japan, Manchuria, Netherlands, Nicaragua, Paraguay, Peru, Philippines, Porto Rico, Siberia, Spain, Sweden, Switzerland, Syria, Turkey, Uruguay, Venezuela and Virgin Islands.

During the war these scattered members of the Red Cross contributed millions in money, and millions of dollars' worth of necessary articles for the men in service, and sent many doctors and nurses to France. At the same time they carried on an excellent Home Service in their respective communities for the families of those who had gone to war, and in some regions gave large sums of money and immeasurable personal service to the relief of disaster and disease victims. The division is now establishing service clubs in foreign ports for the benefit of sailors in the American Merchant Marine, making plans to aid Americans in trouble in foreign lands and completing arrangements for giving immediate adequate relief in case of disaster.

It is the Fourteenth Division's part in the great Peace Time program of the American Red Cross.

RED CROSS ASSISTS DISABLED VETERANS

The American Red Cross is carrying on a wide program of service for the disabled World War veterans receiving treatment in United States Public Health hospitals, and those being trained through agencies of the Federal Board for Vocational Education.

In each of the Public Health Service hospitals Red Cross workers devote their time to the general welfare of the service men from the day they enter the receiving ward until they are discharged. After the soldier's discharge the Red Cross continues its friendly service through the Home Service Section in his own community.

The Red Cross maintains a convalescent house at all of the hospitals, where patients can amuse themselves after they are well enough to be up and around. Parties and picture shows in the wards are also furnished, with occasional excursions when convalescence comes.

Great service has been rendered by the Red Cross in mental cases in identifying those who have appeared in state hospitals for the insane, and helping them secure compensation due from the Bureau of War Risk Insurance.

In the Federal Board's various district offices the Red Cross worker, acting with the Home Service Section, makes necessary loans to the men, arranges suitable living conditions, helps collect evidence and supply facts to the Board, assists in "appealing cases" and settles various personal difficulties for the men. The workers also follow up and aid all men who discontinue training.

The Red Cross agents find men "lost" to the Board, help clear up delayed cases and aid the college counselors in their friendly work with the men. Many Red Cross chapters have set up recreation facilities, and in some instances living clubs, so these victims of war may have attractive surroundings and the fun which must go with effective school work.

To the American Red Cross Institute for the Blind near Baltimore, Md., more than half of all the Americans blinded in the World War have come for training. The Institute, through the Red Cross, long ago conducted an exhaustive industrial survey to determine the vocations for which blind men could be fitted. As a result it is putting forth well trained men equipped to meet the social, civic and economic requirements of their respective communities.

Aid for Spanish Red Cross.

The Iberian chapter of the American Red Cross, composed of Americans resident in Spain, has just contributed \$480 to a fund being raised by the Spanish Red Cross and the League of Red Cross Societies for the purpose of fighting malaria.

WHAT you lose thru baking failure must be added to baking costs—it has to be paid for.

Calumet Baking Powder will save you all of that. Because when you use it—there are no failures—no losses. Every baking is sweet and palatable—and stays moist, tender and delicious to the last tasty bite.

That's a big saving—but that isn't all. You save when you buy Calumet and you save when you use it.

It is reasonable in cost and possesses more than the ordinary leavening strength. You pay less and use less. You get the most in purity, dependability and wholesomeness.

In every way — it is the best way to keep down baking costs. That's what has made it the world's biggest selling baking powder — has kept it the favorite of millions of housewives for more than thirty years.

Found can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Sunshine Cake Recipe

1 1/2 cups butter, 1 1/2 cups granulated sugar, 2 1/2 cups flour, 1 cup water, 2 level teaspoons Calumet Baking Powder, 1 teaspoon lemon, yolks of 9 eggs. Then mix in the regular way.

SPECIALISTS PREPARING OUTLINES FOR SCHOOLS FOR SAVINGS DIVISION

Dallas, Texas.—Valuable suggestions, in the form of outlines, will be furnished to teachers of the Eleventh Federal Reserve District to aid them in conducting the "earn, save and invest" campaign of the government in the schools this year, according to Dinamore W. Hume, Federal District Director.

Material for primary grades will be prepared for the Division by Mrs. Ella F. Little, Primary Supervisor of Rural Schools, of the State Department of Education of Texas," said Mr. Hume. "A specialist in elementary school work will prepare suggestions to be sent teachers of fourth, fifth, sixth and seventh grades, to be used in connection with either language or history recitations, or both. Mr. L. H. Hubbard, Superintendent of City Schools, Belton, Texas, will prepare matter for use by high school pupils in their English classes. Negotiations are under way for a specialist in history to furnish the Division outlines for use of high school classes and teachers of history.

"These suggestions will be usable in high school classes already organized; additional classes or periods will not be necessary. They will relate to matters discussed in text books, offer interesting side lights on topics there presented and show how they naturally develop into approval of the principles promulgated by the Savings Division. They are simple: earn something, live on something less, save, invest, put your savings where they are safe and earn something. When school children do this they will find Thrift Stamps, War Savings Stamps and Registered Treasury Savings Certificates most convenient in denomination and safe, savings accounts in banks also meet with approval of this campaign."

LABOR ORGANIZATIONS URGE FUNDS BE PLACED IN U. S. SECURITIES

Montreal, Canada.—The Fortieth Convention of the American Federation of Labor, by unanimous vote, declared regular and systematic investment in Government securities a part of its permanent policy for the benefit of its members and the welfare of the country. The resolution bearing on this subject reads in part: "The American Federation of Labor reiterates its former endorsement and approval of the plan of the Savings Division of the United States Treasury Department now being operated in each of the Federal Reserve Districts.

"All International Unions and Federal Unions are urged to advocate Thrift Stamps, War Savings Stamps and Registered Treasury Savings Certificates as the best and safest method for saving and investment their members can adopt, against the schemes of those who are now undertaking to take advantage of the Government's savings program and the savings habit formed during the war by introducing thrift systems in industry, through which they will make a profit from the savings of workers."

The convention also recommended local unions place their funds in government securities, buy Liberty and Victory Notes and hold them to maturity. The convention's final resolution asked that the government continue and extend the savings work through each of the Federal Reserve Districts.

HOLD YOUR LIBERTY BOND FOR SAME REASON YOU BOUGHT IT

"Whatever your motive for buying Liberty Bonds," says Scribner's Magazine, "the same motives should impel you to manage your investment thoughtfully. Usually selling bonds is unwise as well as unpatriotic. If money is needed for an emergency, money can be borrowed at the bank, with the bond as security. If selling a Liberty Bond can not be avoided, sell it through a banker or broker of known integrity, who has facilities for handling it at very small cost."

"He who spends more than he earns treads the path thieves have trod since the invention of jails; only luck can keep him from reaching its end. Live within your income, give your dollars a chance to work for you. Thrift Stamps, War Savings Stamps and Registered Treasury Savings Certificates are within the reach of every one not on the thief's road."

The laborer works for his money; the capitalist's money works for him. Put \$4.20 in a War Savings Stamp and be a capitalist.

The American people spend more money annually for tobacco and chewing gum than the entire issue of Liberty Bonds.
